# Communication Profile

## It is important to:

- Speak slowly
- Keep information short
- Ask yes or no questions
- Use simple language when talking to me
- Use gestures, visuals and signs when talking to me (e.g. pointing, using objects)
- Wait and give me time to give my answer, silence is okay
- Tell me if you don't understand me and ask me to repeat myself
- Other:

## I have:

- Poor vision
- Poor hearing
